## The Public Sector Social Media Conference

**Tweet, like, share, snap and post.** Social media has revolutionised how we inform and engage with our audience and each other. Join your colleagues and peers from across the public sector to discuss, debate and hear the latest in creating engaging fresh content, designing a social media strategy, identifying the right channels, measuring success, using video and the future of social media all on a constrained public sector budget.

**Date & Location** | 26th September 2018, Manchester
